Senator Yohannes: As per Cathy Fank, the proposed reduction of theater program is disheartening. As a student who is invested in this matter, just would like to hear what the SGA did to address this.

Graham Garfield- Over the summer, we as SGA members, found out about this the same time as the rest of the student body was informed. As students, it is crucial to have your voice heard.

Senator Gordon: The state of the university choir under a new choral director is moving along swimmingly. There will be a retreat held over the weekend. Service will follow the retreat at the Cathedral on Belknap at 4:30pm Saturday night. Please attend to support the choir!
