

SUPERIOR JUMPSTART: #HOWTOCOLLEGE

August 27th-September 1st

OVERVIEW:

Superior Jumpstart is a multi-day program led by key campus professionals and student success coaches before all of the other students arrive. For zero cost to you*, you can move in early, engage in all-day and evening programming to learn how to be successful on campus....and get a jumpstart on being an amazing Yellowjacket!

BENEFITS:

- Move in to residence halls early for free (for on-campus students)
- Meet other students & staff in a smaller environment
- Learn important skills to be successful in college
- Get to know the layout of the UW-Superior campus
- All meals are free (dinner on Tuesday-dinner Saturday)

WHO CAN BE A PART OF THIS?

- Bridge, TRIO Student Support Services, new International students, RISE students, and Math FastTrack students are eligible!

COSTS:

- The entire program is FREE! *Math Fasttrack does have a \$250 fee associated due to the program costs.

Signup online:

uwsuper.edu/jumpstart

Schedule

TUESDAY: Move-in & family farewell, meet team leaders, campus essentials, Walmart run

WEDNESDAY: Commuter check-in, team mtgs, welcome, scavenger hunt, bridge building, Identity @ UWS, Evening @ Wisconsin Point

THURSDAY: Team mtgs, campus partners, teambuilders, free-time, Game Night @ Pope Center

FRIDAY: Classroom finding, College 101, Group debriefs

SATURDAY: Indoor/outdoor challenge course, climbing wall, s'mores & bonfire

SUNDAY: Weekend of Welcome begins!

For questions, please contact Mickey Fitch-Collins at mfitch1@uwsuper.edu or (715) 394-8188.

MATH FAST TRACK (PART OF SUPERIOR JUMPSTART)

August 27th-September 1st

OVERVIEW:

Did you place into Math 090 or Math 095?

Enhance your math skills through a four-week online summer course. After completing the four-week online course, move into your residence hall room early (or commuters, come to campus a week early) for a multi-day campus experience as part of Superior Jumpstart: #howtocollege. You will continue to refine your math skills, learn a lot about UW-Superior and how to be successful on campus, meet other new students, and retake the UW System Mathematics Placement test—all giving you the prospect of placing into a higher level math course!

BENEFITS:

- Potential tuition savings of 3-6 credits (\$1500-\$2400)
- Increased success in college-level math
- Faster completion of your required math courses
- Meet other new UWS students and important people on campus
- Learn about our campus
- Individual and group-style learning experiences

WHO CAN BE A PART OF THIS?

- If you placed into Math 090 or 095
- Only the first 40 students will be admitted into the Math Fast Track-specific program!

COST:

- For the low price of \$250, you will complete a 4-week online course guided by Liz Dalzen, math instructor, from July 29-August 26th. \$250 fee includes all meals, early move-in fees, online course, placement test retake fee, and all program fees.

Signup online:

uwsuper.edu/jumpstart

Schedule

TUESDAY: *Start of Superior Jumpstart:* Move-in & family farewell, meet team leaders, campus essentials, Walmart run

WEDNESDAY: Math content day—jumpstart your math skills and prep for the placement test!
