

## Brainfuse Tutor Match FAQs

### **What is Brainfuse?**

Brainfuse is the university's online tutoring service that has live tutoring help available 24/7 in most subjects as well as skill-building and online study group access. It's available to any currently enrolled UW-Superior student, and the site can be accessed [here](#).

### **Is there a cost to Brainfuse or Tutor Match?**

No! Brainfuse is a FREE service for all currently enrolled UW-Superior students.

### **How do I access Brainfuse?**

You can log into Brainfuse from the UW-Superior webpage [here](#). Use your UW-Superior email and student ID number to log in.

### **How much time can I have for Live Help tutoring?**

Each student receives five hours of time per month during a semester in which they are enrolled for Live Help tutoring. If you run out of time, you can contact the UW-Superior Brainfuse administrator for additional time. The time limit does not apply to Tutor Match.

### **What is Tutor Match?**

Tutor Match is UW-Superior tutors offering the same live, online tutoring that is available through the Live Help part of Brainfuse.

### **How do I access Tutor Match?**

When you log into Brainfuse, just select the topic and subject you would like help with in the Tutor Match tile on the home page. Then click on Schedule to view available appointments.

### **Are Tutor Match tutors available 24/7?**

Since Tutor Match tutors are UW-Superior students, they are only available during certain times. Once you have selected a topic and subject in Tutor Match, you can click on Schedule to view available appointments. If you need help when there are no Tutor Match students available, you can always use the Live Help area of Brainfuse for 24/7 live tutoring.

## **I don't need tutoring help. What else can I do in Brainfuse?**

Brainfuse has several options for skill building, creating flashcards, and forming online study groups. These modules can be found under the Live Help and Tutor Match tiles.
