

Welcome to the UW-Superior Login Portal

This login portal is used by all UW-Superior students, faculty and staff to create/change their password as well as manage their password account options.

If you are setting up your password for the first time, or have forgotten your password, click the "New/Forgot Password" button.

If you want to change your password, you will need to know your current password. To do so, click on the "Change Password" button.

If you know your password and would like to setup or make changes to your portal account, click on the "Login" button.

For any questions or problems, please contact the [Technology Help Desk](#).

Next, you must accept the Appropriate Use Policy Terms and Conditions.

APPROPRIATE USE OF UW-SUPERIOR IT RESOURCES

Terms & Conditions

Appropriate Use of University of Wisconsin-Superior Information Technology Resources

Access to University IT resources is a privilege granted to members of the University community. This access carries with it the responsibility to use IT resources for University related activities only, exercising common sense and civility and to do everything you can to follow best practices in protecting your credentials from compromise or unauthorized access.

Individuals using UW-Superior information technology resources agree to follow all applicable policies, rules, and laws. The primary governing policy is the [Board of Regents Policy on Use of University Information Technology Resources](#). UW-Superior maintains its own [Information Technology Policies](#)

By clicking ACCEPT below you signify that you have read and will abide by the policies as defined in the links above.

Click 'Accept' to close this window and continue logging in.
